

The Suffolk Chapter Scholarships

The Suffolk Chapter Scholarship Program was established in 2004 in recognition of the need to support and encourage the training of new organists.

The 2019 scholarships are funded through our generous donors, Sebastian M. Glück, The Peragallo Organ Company, and Foley~Baker, Inc. Additional support, including for the annual Scholarship Recital, is provided through donations made by chapter members and friends, designated portions of free-will offerings taken at chapter events, and chapter funds.

As much as \$1,000 is available annually for each of our three awards:

~ *The Sebastian M. Glück College Scholarship*, for students pursuing college level organ studies (May include high school seniors or post-HS students studying privately);

~ *The Peragallo Organ Company Secondary Students Scholarship*, for grade 6-12 students studying organ privately; and

~ *The 2019 Suffolk AGO Chapter Award for Beginning Level Organists*, sponsored by *Foley~Baker, Inc.* (for those **of any age** who are new to the organ, or have studied for less than two years).

In honor of Carl Gscheidle, the new *Gscheidle Special Recognition Award* of up to \$300 may be awarded to augment the other scholarships.

Students and/or their teachers must be members of the AGO to be eligible for these scholarships. Additional specifics including residency requirements can be found in the Scholarship Overview at www.suffolkliago.org on the scholarship page.

* SAGO membership applications are available for download at www.SuffolkLIago.org or by calling the Chapter Registrar, Dr. Brenda Clark (631)-486-1043.

Performance Requirements

Students competing for *The Sebastian M. Glück College Level Scholarship* will be expected to perform a Prelude/Toccata and Fugue or Trio Sonata by J.S. Bach, a piece from the 19th century, a piece from the 20th or 21st centuries, (these may be single movements from larger works), and two stanzas of a hymn (*Lasst Uns Erfreuen*, *Sine Nomine* or *Ein Feste Burg*) with variations.

Students who are currently enrolled in a college who cannot audition in person may submit an unedited CD recording.

Grade 6 through 12 students competing for *The Peragallo Organ Company Secondary Students Scholarship* will be expected to play one piece by J.S. Bach and a second piece from the 19th, 20th, or 21st century, plus two stanzas of a hymn (*Hyfrydol*, *Lobe Den Herren* or *St. Anne*) with some variation on stanza two.

Applicants for *The 2019 Suffolk AGO Chapter Award for Beginning Level Organists*, sponsored by *Foley~Baker, Inc.* will be asked to play one piece of their choice, either on piano or organ, as well as two stanzas of any hymn. They will also be asked to submit a brief paragraph about why they would like to study the organ.

For scholarship recipients under the age of 17, we will require a Statement of Commitment signed by student, parent, and organ instructor.

About the American Guild of Organists

The American Guild of Organists (AGO) is the national professional association serving the organ and choral music fields.

The Guild was founded as both an educational and service organization whose mission is to promote the organ, encourage excellence in the performance of organ and choral music, and to provide a forum for mutual support, inspiration, education, and certification of Guild members.

Membership

Membership is open to all, from beginners to the occasional church organist, to the full-time professional, as well as teachers, choir directors, organ builders, suppliers to the field, students, clergy, and all choral and organ music enthusiasts.

The Suffolk Chapter of the AGO serves the western portion of Suffolk County on Long Island, New York, and is one of 28 chapters in the New York-Northern New Jersey area (Region II).

We meet on a regular basis throughout the year and hold annual events such as

- the **Children's Choir Directors' Workshop and Children's Choir Festival**,
- the **Organ Expo**, and
- the **Scholarship Recital and Awards** for students of the organ,
- as well as **workshops, master classes, and lecture/recitals** led by members and guests.

We regularly partner with neighboring chapters in the Long Island/New York City area to organize activities. Meetings are educational and informal.
